

# Prescription Fulfillment With the Specialty Pharmacy Network for SAMSCA® (tolvaptan)

SAMSCA is available to patients continuing treatment when leaving the hospital, through a network of select specialty pharmacies.

When preparing to discharge a patient with a SAMSCA prescription, please select a Network Pharmacy from the national list below, or from the list of local pharmacies on the following pages.

Before your patients leave the hospital, you can e-prescribe, phone-in or fax their prescriptions directly to a Network Pharmacy.

**Plan ahead to help  
your patients fill  
their prescriptions  
upon discharge**
